We are the New Jersey State Chapter of both the National Impala Association and Eckler's Late Great Chevys which have thousands of members nationwide.

Since our organization in May 1982 with 12 charter members, we have grown steadily and have added many families to our roster from all over New Jersey and its neighboring states.

Our members range widely in age, background and location; however, we all share a common love for these old Chevrolets.

During the years from '58 through '72, Chevrolet made all kinds of cars and all kinds of people bought them for all types of reasons. But if you own a 1958 thru 1972 Chevy today you are a member of a very unique group, and you own a piece of automotive history that represents an era none of us will ever see again.

As members of the Jersey Late Greats, we all try to relive a little of that wonderful era gone by. Whatever model Late Great you own, you'll find one of the best ways to enjoy it and keep it in good shape is with the fellowship and help we share with people that have the same common interest in these cars as you have.

ACTIVITIES

The Jersey Late Greats hosts activities which can be enjoyed by the entire family whenever possible. We sponsor and attend car show/flea markets, county fairs and other show and race events. We also have our own picnics, road rallies, cruises and our annual Awards Banquet. During the winter months, we try to schedule interesting tours and other indoor events, such as workshops, movie nights, etc. In 1984, our chapter hosted the Late Great Chevy International Convention in Mt. Laurel, NJ. The Association Director called it "the best organized convention the association could ask for!" We did it again in July of 2005 in Princeton and then we hosted the National Impala Association Convention Mt. Laurel in July, 2012.

CLUB BENEFITS

We are now a local chapter of the National Impala Association. Membership in the N.I.A. is \$35.00 a year and includes 4 quarterly, full color magazines. We are also a chapter of Eckler's Late Great Chevys which is \$39.99 a year and includes monthly full color magazines and access to a large discounted selection of new, used and reproduction parts.

Chapter membership in the Jersey Late Greats includes monthly newsletters which contain listings of all club activities, a tech column, free classifieds and many other special features of interest to the Late Great owner. Some special club discounts have been set up with a few of the hobby's leading suppliers of restoration necessities and some of our members provide their professional services to our membership at a discount.

The club offers a Documentation Service for 1958 to 1964 Chevrolets, which can determine how your car was originally equipped when it left the factory. This is a free service offered to our members.

Many club items such as logo Tee-shirts, jackets, hats, sweatshirts and vent window decals are available to our members.

MEETINGS

Headquartered in the center of the state, The Jersey Late Greats holds their meetings each month in various locations throughout the state. All pending club business is discussed and voted upon by the members present and refreshments are always available. Occasionally our meetings will also include a guest speaker, or other special treats such as movies or a mini swap meet. Guests are always welcome to attend.

Membership in the Jersey Late Greats is not limited to residents of the Garden State, and you do not have to own a Late Great now. Enthusiasm is the only requirement necessary. If you are the type of person who wants to get the most enjoyment out of your hobby and want to meet other people like yourself, the Jersey Late Greats is the club for you!

We publish a full color electronic newsletter on a monthly basis to keep our members up-to-date within the club. (newsletters can be mailed if you do not have a computer) To receive a courtesy electronic newsletter, complete the form below and send it to:
